

BUILDING YOUR DISASTER SUPPLY KIT

Build your kit all at once or step by step. Start with what you have at home. Then shop for the rest. Build it to shelter in place or evacuate.

Pack these basic supplies for each person in a portable container or backpack. You'll need them whether you stay or go.	You may have to leave in a hurry to get to a safe place. Keep these supplies near your car. When it's time, grab them and go.
STEP 1 FOOD AND WATER	STEP 4 ADD THESE ITEMS FOR EVACUATING BY CAR
3-day supply of food that needs no cooking 1 gallon of water per day for each person Manual can opener Baby items (baby food, formula, bottles) Pet Supplies (listed on next page) STEP 2 FIRST AID, MEDICATION, HYGIENE	Road maps Car repair items (tools, spare tire, tire patch kit, oil) More food and water Plastic plates, cups and utensils Tent, blankets and pillows Clothes and sturdy shoes Rain gear and towels Books, games and toys
First-aid kit (listed on next page) Prescriptions and backup medications Hand sanitizer, wipes, bleach (To purify water, mix 1/8 teaspoon per gallon. Stir and let stand for 30 minutes.) Toilet paper, paper towels, garbage bags Dental care, hearing aids, and vision products Soaps, personal supplies, diapers Sunscreen, insect repellent	BEFORE YOU LEAVE HOME Fill your gas tank, check your spare tire Take cash, checkbook and credit cards Call your family emergency contact Charge your mobile phone Get a map of your route
Face masks to filter air (N-95 rating)	When staying home is your safest choice, add these items to your kit and stay tuned to the news.
STEP 3 COMMUNICATION, LIGHTING, DOCUMENT BAG ITEMS	STEP 5 ADD THESE ITEMS FOR SHELTERING IN PLACE
Battery-powered radio with extra batteries or crank radio (emergency alert radio is best) Extra cell phone battery and car charger Flashlights and extra batteries Matches and lighter Whistle Reading glasses and sunglasses Document bag items (listed on next page)	 Smoke detectors with extra batteries Carbon monoxide detector (if using generators, charcoal grills or camp stoves) Fire extinguisher Land line phone with extra long cord Plastic sheeting and duct tape (to seal doors, windows and air vents from contaminated air or to build an emergency shelter)
